Dear Supporters,

We were very grateful to receive a kind donation of £50.96 from Caroline Kelly, raised by Sophie Kelly, Katie Rey, Jessica Kosky, Georgia Fishman and Sophie Diosi selling ice pops and other items in school.

Cancer Research UK is fighting for a world where no one's life is cut short by cancer. There is real hope too; each year our scientists get closer to finding a cure and in the last 40 years we've helped double survival rates.

Thousands of people are alive in Britain today thanks to progress made in cancer research. However, our funds are raised almost entirely through public donations so we rely overwhelmingly on the support of people like you.

If you would like any more information about us and the work that we do, please do not hesitate to contact us on 08701 60 20 40 or visit our website at [www.cruk.org](http://www.cruk.org).

One day we will cure cancer. Thank you for helping us make it sooner.

Yours sincerely

Simon O'Leary
