School Complaints Procedure Policy

This policy complies with Section 29 of the Education Act 2002.

Stage 1 – Informal Resolution

The School will publish guidance on how matters of concern should be raised on an informal basis. Generally, any concern or complaint will have been raised with the class teacher before a request is made to deal with it under this policy.

Where the matter is not resolved at the informal stage, the complainant may elevate it to the formal stage.

Stage 2 – Formal Resolution (Investigation by a member of the Senior Leadership Team)

1. Complaints should be made in writing and addressed to the Headteacher setting out briefly the facts and stating what it is that the complainant considers should have been done or where the school has not met reasonable expectations. If a complainant is not able to make his/her complaint in writing, it may be made in person and a note will be taken.
2. An investigation will be carried out by a member of the Senior Leadership Team who will offer the complainant a meeting and speak to others involved. Whenever reasonably possible, any meeting with the complainant will take place within 15 school days of the written complaint being received.
3. The investigator will put his/her findings in writing and will indicate what, if any, steps should be taken to resolve the matter. Whenever reasonably possible, this will be done within 15 school days of the meeting with the complainant and if no meeting is to take place, within 15 school days of the complaint being received.

Stage 3 – Formal Resolution (Investigation by the Chair of Governors)

1. If the complainant is not satisfied with the response of the investigator in Stage 2 he/she may request that the complaint be considered by the Chair of Governors. The complainant should set out briefly the facts and stating what it is that the complainant considers a fair and reasonable resolution.
2. The Chair of Governors will put his findings in writing to the complainant Whenever reasonably possible, this will be done within 15 school days of receiving the escalated complaint.

Stage 4 – Formal Resolution (Panel Hearing)

1. If the complainant is not satisfied with the response of the Chair of Governors, he/she may request that the complaint be considered by the complaints panel of the Governing Body which will comprise at least three governors who have not previously been directly involved in the matter. That request should be made in writing, addressed to the Clerk to the Governing Body of the school, within 15 school days of the response being sent to the complainant and must set out briefly the reasons why the complainant is dissatisfied with the responses received this

far. If a complainant is not able to make his/her request in writing, it may be made in person and a note will be taken.

2. The Clerk will invite the School to put in writing its response to the complainant's reasons. The school will do this within 15 school days and at the end of that period (whether or not the School has responded) the Clerk will convene a meeting of the complaints panel of the Governing Body. That meeting will be held as quickly as practicable given the need to find a date that is reasonably convenient for the complainant, the School and the members of the Panel. Whenever possible, the meeting will be held within 15 school days of the end of the school's response time. At any meeting, the complainant will be entitled to be accompanied by a friend but legal representation will not be allowed.
3. The meeting is not a court case and will be as informal as circumstances allow. The complainant will have the opportunity to put forward his/her reasons for dissatisfaction and to expand on them but may not introduce reasons that were not previously put in writing. The school will have the opportunity to put forward its position and each side, as well as the panel members, will be able to ask questions. The complainant will have the opportunity to make final comments to the panel.
4. The Panel will formulate its response as quickly as reasonably possible, aiming to do so within 15 school days of the Panel Hearing, and the Clerk to the Governors will notify all concerned.

Attendance at a Complaints Panel Hearing

The complaints panel will only proceed if the complainant attends. If the complainant does not confirm attendance or fails to attend on the day without compelling reasons, the complaints panel will not proceed and the complainant will lose their right to the complaint being heard. Any further attempt to re-open the matter will be considered as falling under the serial/persistent complaint section as below.

Timeliness

Complaints need to be considered and resolved as quickly and efficiently as possible. The School expects complaints to be made as soon as possible after an incident arises and in any event within 3 months and within the same academic year as the incident. After this time the governors and senior leadership team will have discretion not to investigate the complaint. It will be for the complainant to show that there is good reason for the delay.

Serial or persistent complainants

If a complainant attempts to reopen an issue or a closely related issue that has already been dealt with under this complaints procedure, the Chair of the Governing Body (or the Vice-chair in the absence of the Chair) may write to the complainant to inform him/her that the procedure has been exhausted and the matter closed, and that continued correspondence is 'serial' or 'persistent' and that the school will not respond to any further correspondence on this issue or a closely related issue.

Complaints about the Headteacher or Chair of Governors

Any complaint relating to the Headteacher must be raised in the first instance with the Chair of the Governing Body (or the Vice-chair in the absence of the Chair) who will, if an informal resolution cannot be reached, designate a Governor to investigate in the same way as in the first stage of the formal process outlined above. Any complaint relating to the Chair of Governors or any individual governor should be made in writing to the Clerk to the Governing Body.

Record Keeping

A written record will be kept of all complaints and the final outcome. The Headteacher or complaints co-ordinator is responsible for these records, which will be held centrally.

Records of complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the Education and Skills Act 2008 requests access to them.
