### New Key Stage 1 and 2 assessments in 2016

The 2016 key stage 2 assessments are the first which assess the new, more challenging national curriculum which was introduced in 2014. New tests and interim frameworks for teacher assessment have been introduced to reflect the revised curriculum. Results are no longer reported as levels, and each pupil will now receive their test results as a scaled score and teacher assessments based on the standards in the interim framework.
