

Hello, Sinai School!

The Lunch Time Chess Club
can allow your child to develop:

- Strategic and tactical thinking
- Critical thinking
- Logic and concentration
- Ability to problem solve
- Commitment
- Ability to visualize
- Ability to analyze
- Decision making
- Competitiveness and patience
- Ability to learn something new from each situation

I, Tomer Eden, am a UK/Israeli Master and I organise and manage the Chess Club at the School.

I have been playing chess from the age of 4 and I have represented Division 1 clubs in the 4NCL (Four Nations Chess League), London and Middlesex Leagues, as well as representing Middlesex in the County Championships on the highest boards.

For several years now I have been sharing my passion for this unique game by coaching children and adults in various schools and clubs throughout London, as well as on a private basis and I have a team of equally passionate and professional chess coaches working together with me.

The Chess Club lesson plan:

- 15 Minute lesson on a professional demonstration board
- Practice Play with analysis of games
- Weekly tournament game*

*Each term a new tournament will take place with trophies for the winners and badges and certificates awarded to all players.
